ABOUT ARTHAMERGE

ArthaMerge is a focused M&A advisory firm specializing in structured exits for growth-stage D2C and consumer brands. Positioned at the intersection of capital, strategy, and execution, we work with founders, boards, and investors to design transaction processes that maximize value. We are not a generalist firm — our selectivity is our strength.

CORE SERVICES

WHY ARTHAMERGE

- Focused Exclusively on Transition-Stage Exits**
Not a generalist firm — every process built around your exit objective.
- Deep D2C Domain Expertise**
Unmatched knowledge of consumer brand dynamics, buyer motivations, and valuations.
- Secondary Liquidity Structuring**
Differentiated capability in partial exits and cap table restructuring.
- Disciplined, Execution-First Process**
Rigorous approach minimizing deal risk and protecting management bandwidth.
- Selective Mandate Approach**
Fewer clients, deeper engagement, genuine partnership at every step.

"We partner with founders and investors at critical inflection points — where growth transitions into strategic opportunity. Our mandate is simple: maximize the value of what you've built, and ensure every rupee of enterprise value is captured in the transaction."

— Vikas Gupta, Founder, ArthaMerge
